

Want a Kid-Free Vacation? Head to These Adults-Only Beaches

Yes, **family vacations** can be some of the most memorable vacations—but sometimes you just want to get away from it all, including any and all pint-sized travelers (your own, or anyone else’s). If it’s an adults-only getaway you’re craving, these eight resorts offer a day at the beach, both literally and proverbially.

GRACE BAY CLUB

Providenciales, Turks & Caicos

Book carefully if you're looking for a kid-free getaway on Turks & Caicos' Grace Bay Beach. The Grace Bay Club is divided into three parts, but only The Hotel—which offers up to 2,200 square feet of beachfront space—is adults-only (The Villa and The Estate accommodations are family-friendly). Though there are some shared amenities, The Hotel's enormous oceanfront infinity pool and beach bar make for a decidedly grown-up vacation.
